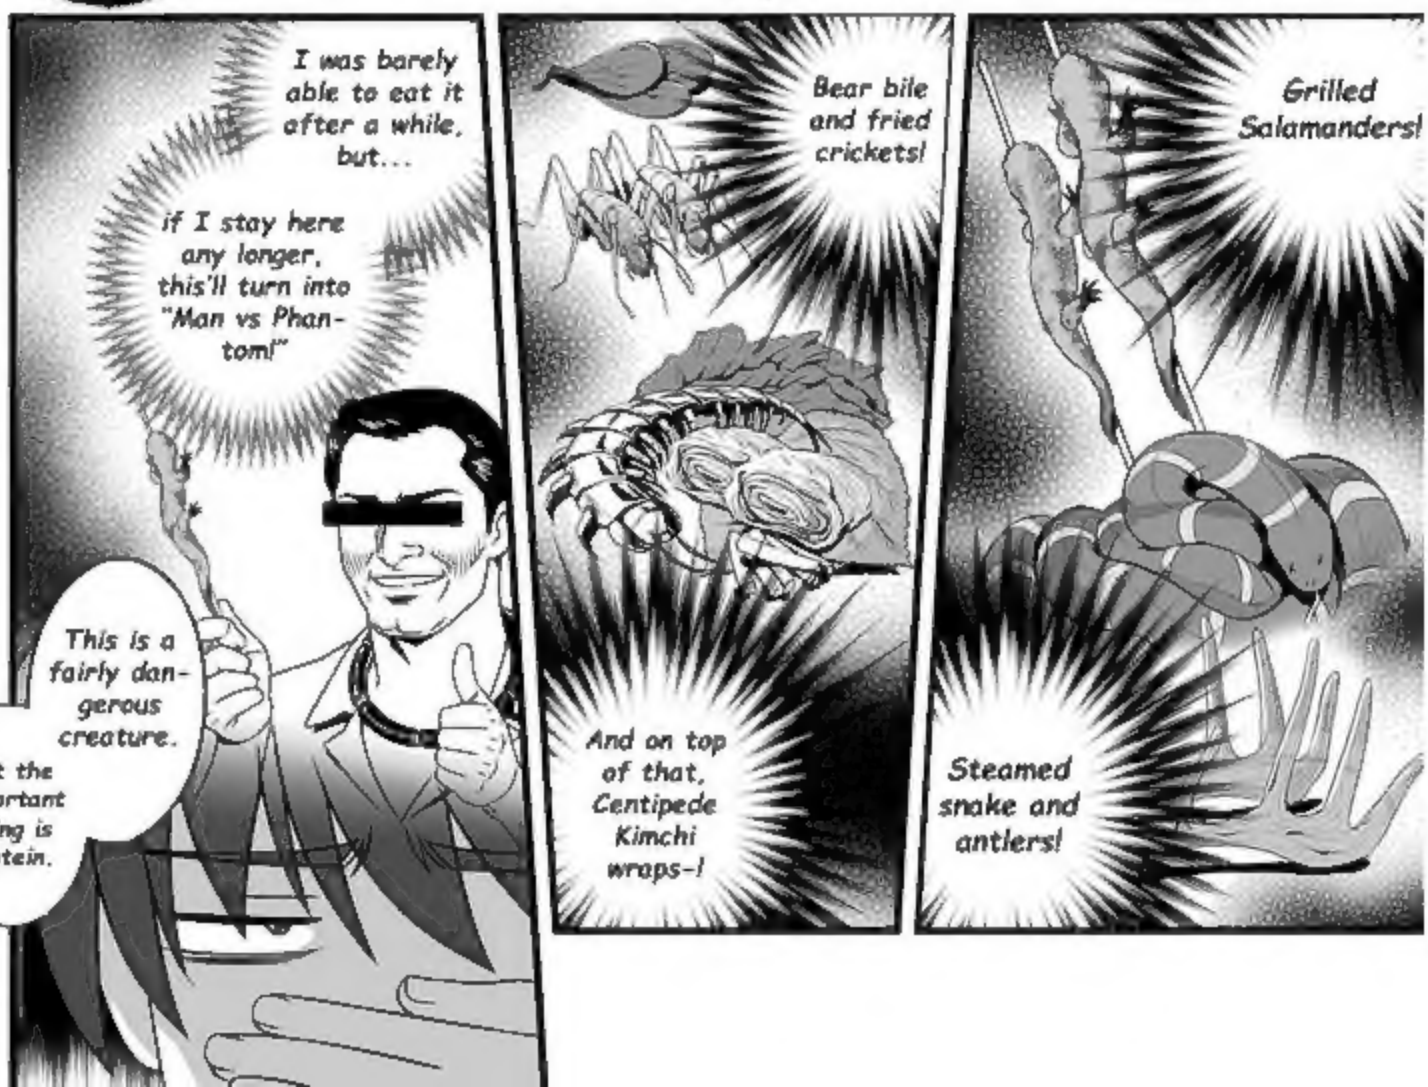
EH

Did I overeat? Sae Hee.. contrary to her looks, her cooking was really good...
But.....
I'll withdraw the table.
Please do, the food was delicious.



I was barely able to eat it after a while, but...
if I stay here any longer, this'll turn into "Man vs Phantom!"
This is a fairly dangerous creature.
But the important thing is protein.
Bear bile and fried crickets!
And on top of that, Centipede Kimchi wraps-!
Grilled Salamanders!
Steamed snake and antlers!

Na Rae? It must be Na Rae!
Did she decide to forgive me?
DiRoRiRo Ring
아버지

Ho~ did my son grow up? He learned to scream at me.
PERFECT TIMING-!!
WHAT KIND OF PARENT TRICKS HIS SON INTO GOING INTO A GHOST PIT?!
흡칫

M, m, m, Mom-?
What's wrong? My lovely son that stabbed me.
You're not going to give me some excuse like saying you didn't know I was calling you with your Dad's phone, right?
I was ....
Mommy. Is. Very. Very. Sad.
Aha...
Hahaha...
Mommy is sad. I was worried about my son that I raised with my own sweat and blood, so I came running back from China,
and I called to make sure you were okay, only to be greeted by my son screaming into my ears...
Oh my, why would I kill the son that I endured great amounts of pain to give birth to?
HI-IK! I'M SORRY! PLEASE DON'T KILL ME!
Shall I take this chance to confide? Damn son.

You seem like you'd do it...
Anyway, did you finish your business?
Yes...
Really now, without any explanation-
AAAAAAH!
he sent you down there,
Do you know how worried I was?
KYAA!!
Just when is he going to grow up? Will hitting him do it?
I'LL DIE! I'M GONNA DIE!!
Ignore the background noise...
Anyway, did you meet the tiger phantom?
Huh? You know about Rang Ii?
Now that I think about it..
It was mom that promised that marriage when I was still being breast-fed...
Culprit
I feel like I made a weird promise, but I can't remember. Probably wasn't important.
Rang Ii? What about the tiger phantom? It's just a spiritual body.
...Mom, did you not feel anything towards Rang Ii?

So, come back up tomorrow.
Huh? Why?
Did you just question me?
I shall obey.
Than let's eat dinner in Seoul tomorrow.
...yes
If you don't, you'll be eating in hell. Understood?
Click.
I was thinking of taking Rang Ii up to Seoul anyway, but...
Tomorrow Isn't that too soon? I don't even know how much she knows about the human world...
Yea, were you waiting for me?
Did you finish your call?
God, please save me...

ピト
ドキ
It's too soon to look for God-!!

Above the bedside is a box of tissues(and etc.)
The neatly folded clothes + panties!
One set of blankets, and two pillows-!!

The culprit is in this room!
Please enjoy your night.

THERE'S INTERNET HERE?
WHAT IS THIS? THIS ROOM'S SETTING? WHAT ARE THOSE THINGS BY THE BEDSIDE?
Internet search results told me that those are necessary items for a couple.
It's wireless.

Well, I'll leave you two alone now.
HEY!
HEY!
You will be starting tomorrow morning The young master is a lolicon after all
We're not a couple yet Sae Hee.
THAT AGAIN?
OPEN THIS DOOR THIS INSTANT!
And just for reference, I placed a spell on the room so you and master can have a good time.
Until the night of a full moon even I cannot open the door, so you can do all sorts of hard plays
STOP SPOUTING NONSENSE AND OPEN THIS DOOR!
I don't know how to use such complicated spells
Do not worry! I can handle all the youth that you want to unleash unto this body!
It's fine Just think that you're sleeping with a younger cousin
You're dealing with a child but what if
I can break the door down with force, how does that sound?
Forget it

Ah!
Anyway, just wear this T-shirt for now.
if it was Nae Rae..
I would do whatever I needed to enter the adult world.. TT.TT
Why are you so insistent on that
I heard that you're supposed to do something with the person you love before sleeping
Are first nights supposed to be like this?
This was a long time ago
Grandma
It was a joke Stop sulking ...
It's an old story, but are you interested?
I can't fantasize about a grandma s story, so it's fine

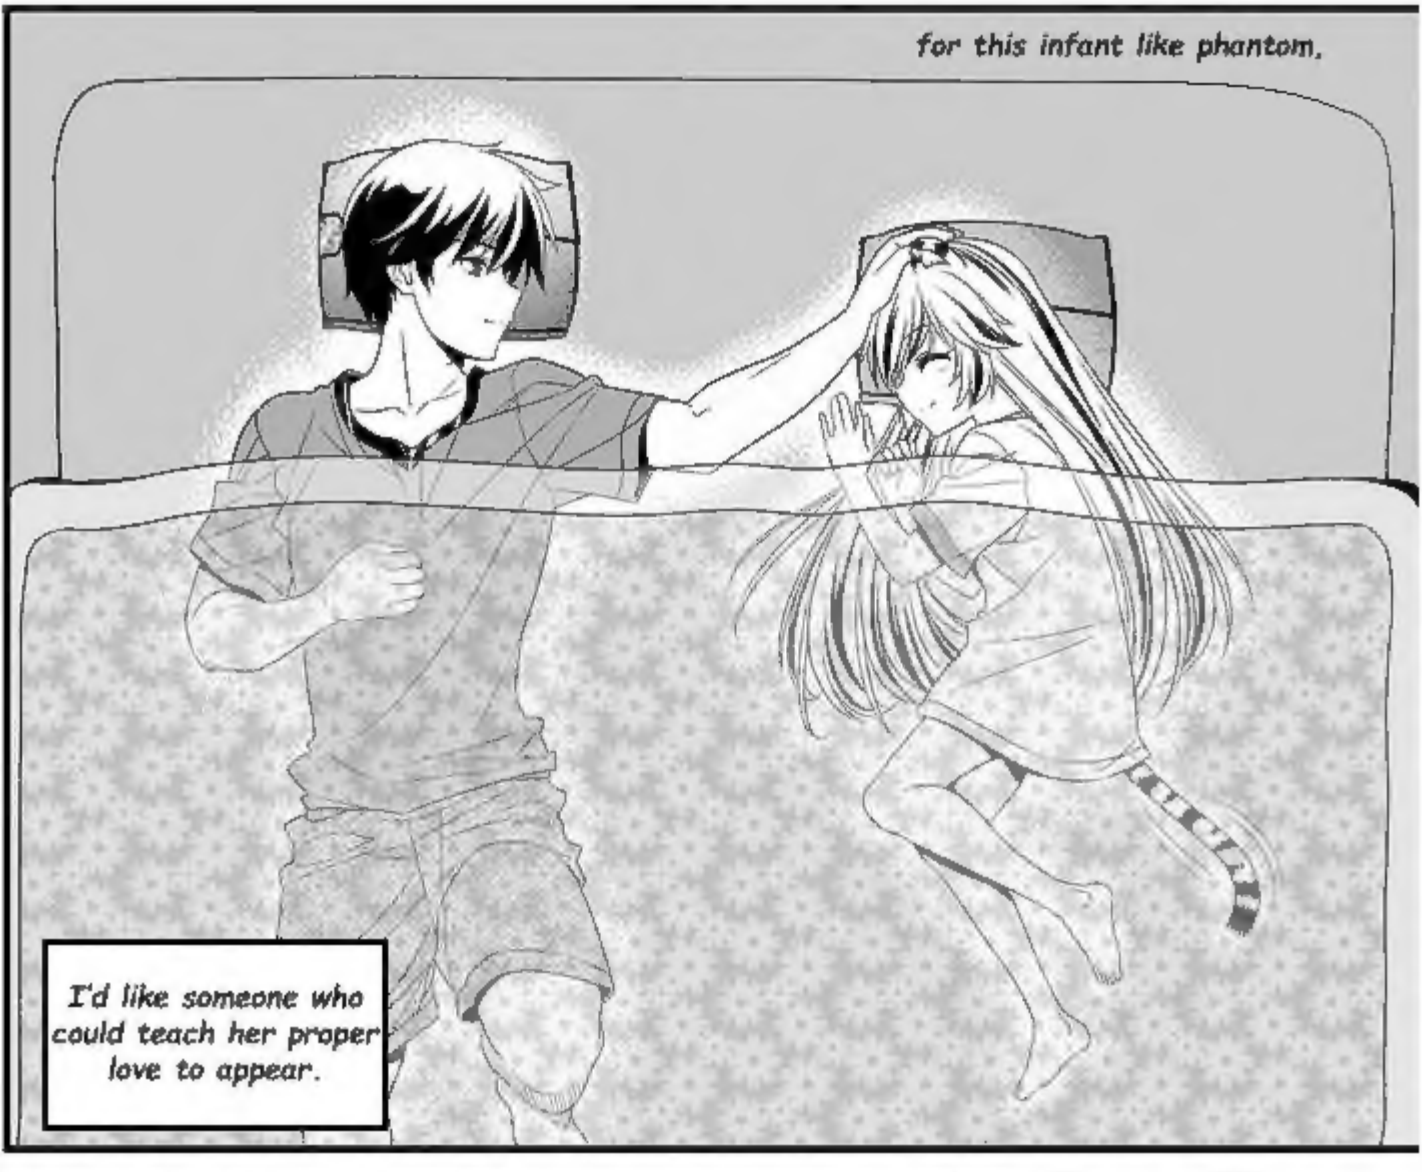
I was watch ing over phantoms that were devour- ing humans
Great phantoms such as myself didn't have a reason to eat humans,
but the weaker phantoms had to eat humans to increase their strength
But one day, I witnessed a peculiar sight.
I could not understand One's own life should be most important
However, wit- nessing the non-related man and woman try to sacrifice themselves for each other made me realize that my view was wrong
What could possibly have made those who feared death, stand up for each other?
One day, I asked that question to the wisest human
And he replied,
that the answer was, "love"
If I could re- cieve some of this "love", how happy would I be?
I realized that "love" was the key to giving meaning to this life, where I do nothing, but live on
How could I not be interested?

I wish to be loved.

...wrong.
That is why I want to marry you, and have you give me lots of love.
From what I heard, those who love each get married.
That can't be called love.
To love each other to be happy, that's closer to child's play.
But I can't tell Rang Ii that her thoughts are wrong.
She believed that that is love, and she waited, sealed in her cave, for a long time.
A time so long, that I can't even begin to imagine it.
And could I even explain to Rang Ii what love really is?
Am I a person that could explain things like that to her?
...Me...

As fast as possible,

I probably can't.
That is so.
Is that so?



for this infant like phantom,
I'd like someone who could teach her proper love to appear.

Are you sleeping?
is something I can't become.
Because that person,

4화 마침.
